School Parking Lot Entrance, Exit, and Parking

Changes have been made to the traffic patterns at the school. (See diagram of where to enter, exit, drop off, and park.) The south entrance to the front parking lot (near the elementary building) will be an entrance only with all vehicles exiting the school at the north end of the parking lot at the traffic light. The only exception to this will be for school busses. All other vehicles will be required to enter by the south entrance and exit by the north traffic light.

The areas around the island (Medieval Garden) between the two buildings and along the north side of the building surrounding the stadium are 'no parking' areas due to fire lanes. Please be aware that the Sheriff's department will be patrolling these areas from time to time and ticketing and possibly towing vehicles in these areas. In the past there were times when it was difficult to navigate a small car through these areas, let alone the need for a fire truck or emergency vehicle to get through these areas.

Unfortunately, we do not have a lot of wide open space in front of our buildings. Busses, parents dropping off and picking up their children, and high school students driving their own vehicles must share the same space. It is important that parents picking up and dropping off their children do so as quickly and safely as possible. This will allow a smooth flow of traffic and alleviate congestion at the entrance in the mornings, and will allow elementary parents to exit from the north exit prior to the high school students entering the parking lot, and relieving congestion in the afternoons. The north exit is two lanes. This will allow cars to exit and turn to the right and to the left onto the main road at the same time. Thank you for your cooperation.

PARENTS: IMPORTANT SCHOOL BUS SAFETY ALERT HELP US PROTECT YOUR CHILDREN AS THEY TRAVEL TO AND FROM SCHOOL

Certain types of children's clothing can create a hazard as your child gets off the school bus. Especially dangerous are:

- Long, dangling jacket or sweatshirt drawstrings
- Long backpack straps
- Long scarves or other loose clothing

Such clothing can be caught in the bus handrail, door, or other equipment as the child gets off the bus.

In recent years, a number of children across the U.S. have had their clothing caught as they exited the bus.

Several of these children were dragged by the bus and then killed when the bus ran over them.

Please take the time to check your children's clothing to make sure it is safe.

Also, please talk with your child about the following safety rules.

- Stay away from the Danger Zones around the bus.
- Don't try to pick up something dropped near the bus - the bus driver might not see you.
- Remember that other motorists don't always stop for a stopped school bus - use extreme caution whenever getting on or off the bus.

SCHOOL BUS SAFETY IS A TEAM EFFORT - NOTHING IS MORE PRECIOUS THAN A CHILD'S LIFE.

SCHOOL BUS PROCEDURES

Parents, please review the following procedures with your children. It is important that they know in detail what is expected of them when they ride a school bus.

School bus transportation should be regarded as a privilege, which will be kept by students only as long as they behave responsibly. All bus students must abide by the following rules at all times if they wish to maintain the privilege of riding on the bus:

- **The bus driver is the adult authority on the bus. He/she is in charge.**
- **Silence must be maintained while a bus is crossing railroad tracks.**
- **Be courteous to others. Cursing, teasing, etc. cannot be tolerated.**
- **No eating or drinking on the bus.**
- **Please help keep the bus clean. Don't throw paper or other objects.**
- **You must stay in your seat at all times.**
- **Do not extend anything outside a school bus window.**
- **No smoking. Do not bring matches on a school bus.**
- **Please do not mark on or damage seats.**
- **No fighting.**
- **This is not an all-inclusive list of inappropriate behaviors. If students use good common sense, they will not have worry about being disciplined.**

School bus drivers must use appropriate disciplinary measures to maintain order and safety on the buses. However, when student misbehavior is so inappropriate, as determined by the driver, that it is a threat to order and safety, a formal set of discipline procedures will be followed.

FIRST OFFENSE

A written report will be submitted to the appropriate school principal. A copy will be placed in the student's file. A copy may also be mailed to the parent. The principal may also hold a conference with the student and parent.

SECOND OFFENSE

The student's seat may be reassigned by the driver. A telephone contact with the parent will be made by the driver and/or principal. Documentation of the incident will be placed in the student's file. Bus riding privileges could be stopped for a period of time, and other disciplinary measures including detention, suspension, and/or expulsion could be used.

THIRD OFFENSE, ETC.

Bus riding privileges will be stopped for a period of time determined by the principal. Other serious disciplinary actions could also be taken.

Release of Student Names to the Military

We are now REQUIRED by law to release the names and addresses of all students in grades 10-12 to any military branch that requests them. We must do this unless you contact the high school office **in writing** by Friday, September 12, 2008, that you do NOT want your child's name given out. Without your letter stating that you do not want your child's name released, we MUST give all names and addresses out.

Boston Crusaders Invade Van Buren Schools

Van Buren Schools hosted the Boston Crusaders this June. They spent about a week at the school practicing their routine for a performance in Toledo. On Friday, June 20, the Van Buren Music Boosters fed the group of about 120 before they put-on a "practice" performance in the football stadium. The Crusaders were a group of performers age 14-21 from all over the United States. They were on a two-month performance schedule which was to end in Florida.

Summer Reading Camp '08

Van Buren Elementary School offered a Summer Reading Camp at the end of June for five days. Goals for the students were to improve fluency-reading, the ability to identify main ideas, to write a summary or story retell, increase the amount of time students read during the summer, and increase interest/enjoyment of reading. This was achieved through lots of reading, using computers, and Readers' Theater. After achieving certain goals during the week, the students were allowed to color in "scoops" or "toppings" of their ice cream sundae and was rewarded real ice cream sundaes on Friday.

A DVD of the 2008 Graduation ceremony will be available this Fall. Look for more information in future *Knightly News*.

End of School Year Elementary Picnic

The V.B.E.P.A. would like to thank all of the wonderful volunteers who helped to make the 2007-2008 end of school year picnic a huge success. The children had a great time! A special thanks to Mr. Chris McKinley for barbecuing all the hot dogs. He did an incredible job! Thanks again because without you there would not have been a picnic!

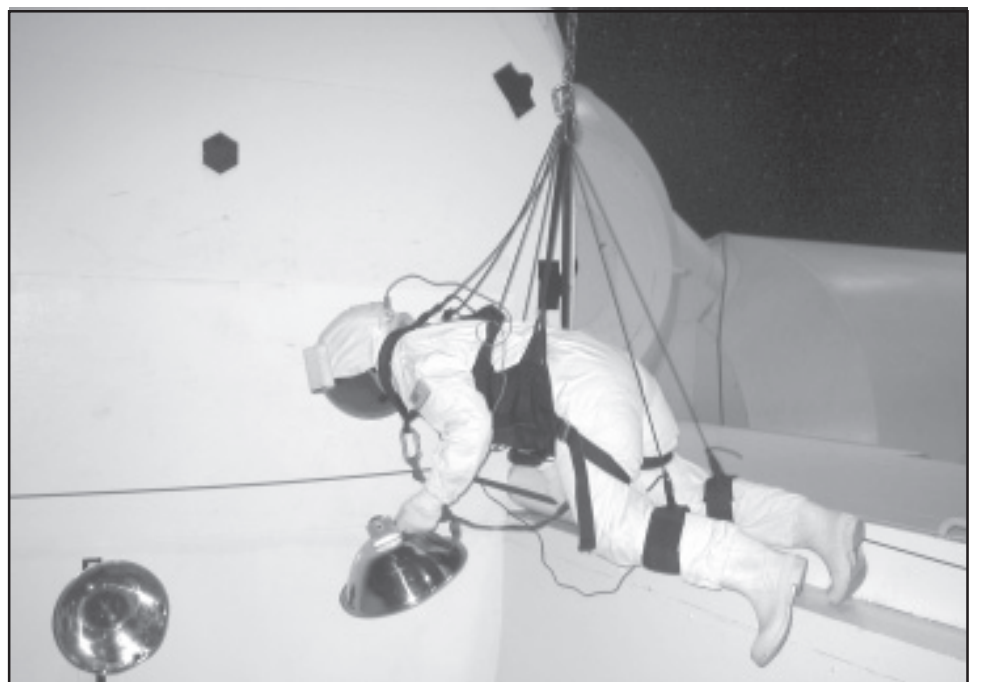

Fifth Grade Teacher Soars Through Space School

Beppie Walerius, 5th grade science teacher, was one of only 32 teachers chosen to participate in the Advanced Space Academy for Educators in June. The program, sponsored by Honeywell, selected 22 teachers from the U.S. and 10 from foreign countries to attend the 10 day all expenses paid experience. The teachers were flown to the U.S. Space and Rocket Center in Huntsville, AL for extensive aerospace classes, astronaut training, and shuttle mission simulations. The teachers completed underwater astronaut training, flew in F-18 Mach 2 fighter jet simulators, and had turns in a centrifuge. They underwent 5 shuttle simulated missions and took turns working in mission control, on the ISS (International Space Station), and on the orbiter where they performed EVAs (space walks) to repair a satellite in the cargo bay. The teachers got to meet Homer Hickham, the author of the book, *Rocket Boys*, and the central character in the movie *October Sky*. They were then flown to Kennedy Space Center in Florida for additional classes and a behind the scenes tour of launch facilities.
