## **HIGH SCHOOL 12<sup>th</sup> ANNUAL OPENING KNIGHT**

As a way to continue promoting positive interaction and communication between parents, students, and school staff, we will be hosting our 12<sup>th</sup> Annual Opening Knight, which will be held on Wednesday, August 17, 2011, beginning at 6:30 P.M. Parents and students are asked to enter the school through the front doors closest to the high school offices. The schedule provided below has been developed in an attempt to increase the efficiency of the evening and also to allow you and your parents the opportunity to meet with teachers before the start of classes. During Opening Knight, students will have fall pictures taken (students must wear a **school appropriate** shirt/blouse), pay school fees for the year, and pick up their schedules. Parents are invited to attend a meeting to meet with the principal and to review important school procedures and policy changes for this year. Schedules will only be available the evening of Opening Knight and only after student pictures and school fees have been paid. If, for some reason, you are unable to attend on August 17, you will need to pick up your schedule on the first day of classes, Wednesday, August 24, 2011. Parents are welcome to tour the building or socialize with the staff and friends throughout the evening. After student pictures, payment of fees, and schedule pick up, students are welcome to do the same.

- 6:30 Seniors and Juniors and parents get in line for pictures, pay school fees, and pick up schedules. Seniors (ID Cards only) and Juniors will have pictures taken in the community room and then move on to pay school fees and get their schedules. Mr. Brand and Mr. Zender will be in the Auditorium Lobby to answer any questions about the upcoming school year.
- 7:30 Sophomores and Freshmen and their parents get in line for pictures, pay school fees, and pick up schedules. Both groups will have their pictures taken in the Community Room and then move on to pay school fees and get their schedules.
- 8:30 New school year information will be presented to Sophomore and Freshmen parents in the auditorium.

### PARENTS: IMPORTANT SCHOOL BUS SAFETY ALERT

#### HELP US PROTECT YOUR CHILDREN AS THEY TRAVEL TO AND FROM SCHOOL

Certain types of children's clothing can create a hazard as your child gets off the school bus. Especially dangerous are:

- Long, dangling jacket or sweatshirt drawstrings
- Long backpack straps
- Long scarves or other loose clothing

Such clothing can be caught in the bus handrail, door, or other equipment as the child gets off the bus.

In recent years, a number of children across the U.S. have had their clothing caught as they exited the bus.

Several of these children were dragged by the bus and then killed when the bus ran over them.

Please take the time to check your children's clothing to make sure it is safe.

Also, please talk with your child about the following safety rules.

- Stay away from the Danger Zones around the bus.
- Don't try to pick up something dropped near the bus - the bus driver might not see you.
- Remember that other motorists don't always stop for a stopped school bus - use extreme caution whenever getting on or off the bus.

### SCHOOL BUS SAFETY IS A TEAM EFFORT - NOTHING IS MORE PRECIOUS THAN A CHILD'S LIFE.

#### Release of Student Names to the Military

We are now REQUIRED by law to release the names and addresses of all students in grades 10-12 to any military branch that requests them. We must do this unless you contact the high school office **in writing** by Friday, September 16, 2011, that you do NOT want your child's name given out. Without your letter stating that you do not want your child's name released, we MUST give all names and addresses out.

### SCHOOL BUS PROCEDURES

Parents, please review the following procedures with your children. It is important that they know in detail what is expected of them when they ride a school bus.

School bus transportation should be regarded as a privilege, which will be kept by students only as long as they behave responsibly. All bus students must abide by the following rules at all times if they wish to maintain the privilege of riding on the bus:

- **The bus driver is the adult authority on the bus. He/she is in charge.**
- **Silence must be maintained while a bus is crossing railroad tracks.**
- **Be courteous to others. Cursing, teasing, etc. cannot be tolerated.**
- **No eating or drinking on the bus.**
- **Please help keep the bus clean. Don't throw paper or other objects.**
- **You must stay in your seat at all times.**
- **Do not extend anything outside a school bus window.**
- **No smoking. Do not bring matches on a school bus.**
- **Please do not mark on or damage seats.**
- **No fighting.**
- **This is not an all-inclusive list of inappropriate behaviors. If students use good common sense, they will not have worry about being**

**disciplined.**

School bus drivers must use appropriate disciplinary measures to maintain order and safety on the buses. However, when student misbehavior is so inappropriate, as determined by the driver, that it is a threat to order and safety, a formal set of discipline procedures will be followed.

#### FIRST OFFENSE

A written report will be submitted to the appropriate school principal. A copy will be placed in the student's file. A copy may also be mailed to the parent. The principal may also hold a conference with the student and parent.

#### SECOND OFFENSE

The student's seat may be reassigned by the driver. A telephone contact with the parent will be made by the driver and/or principal. Documentation of the incident will be placed in the student's file. Bus riding privileges could be stopped for a period of time, and other disciplinary measures including detention, suspension, and/or expulsion could be used.

#### THIRD OFFENSE, ETC.

Bus riding privileges will be stopped for a period of time determined by the principal. Other serious disciplinary actions could also be taken.

### Van Buren Music Booster

Karen Schuh and Kathy Rodabaugh helped sew tags into new band uniforms with the names of those who donated a "Full Uniform". Twenty-one tags were donated by Susan Barringer of SuBu Shirts and caps. A note will be sent to each donor letting them know which band member is wearing the uniform they donated.

## Superintendent News

### News From the Superintendent

Another summer break is winding down and the classrooms will soon be filled with excited students and rejuvenated staff. The first day of school for students will be Wednesday, August 24. No changes have been made to the regular school day. Preliminary bus routes along with drop off and pick up times are available on the district's web site.

Several projects have been completed this summer including improvements to some sidewalk areas, cleaning and repairs to the HVAC system, changes to the old primary entrance of the elementary school, room repairs due to water damage, repairs to the storm sewer in the front parking lot, a complete sanding and refinishing of the varsity gym floor, a wireless access system has been installed in the High School/ Middle School building, and general cleaning and waxing of hallways and classrooms. The refinished gym floor makes it look like a brand new floor. The new graphics and lighter color of the floor have changed the appearance drastically. We have used a new finish on this floor. The previous method of finishing the gym floor each summer caused a build-up of material making the floor darken over time. This new finish is designed to keep the floor lighter and brighter. Unfortunately, cleaning and minor repairs to this finish are harder to accomplish. Stricter regulations concerning use and access to this floor will be in effect. The new wireless system will provide for greater, more reliable computer access for our students. This was necessitated in response to our 1 to 1 computer initiative which will be in effect in grades 6 through 10 for the upcoming school year.

While as usual, there has been little turnover in staff at Van Buren, new hires have been completed and quality individuals have been hired. A complete review of new staff will be included in the next newsletter. Fall sports and music activities have started and the hallways, fields, and gyms are full of staff and students. There are still projects that are in progress and in need of completion such as repairs to curbing and exterior lighting. All in all, we are anxious and ready for the start of the new school year and the continued mission of striving for excellence in all areas of the Van Buren Schools, a tradition that we all, staff, students and community, take great pride in and expect.
