As a way to continue promoting positive interaction and communication between parents, students, and school staff, we will be hosting our 13th Annual Opening Knight, which will be held on Wednesday, August 15, 2012, beginning at 6:30 P.M. Parents and students are asked to enter the school through the front doors closest to the high school offices. During Opening Knight, students will have fall pictures taken (students must wear a school appropriate shirt/blouse), pay school fees for the year, receive required forms, and pick up their schedules. Parents are invited to attend a meeting to meet with the principal and to review important school procedures and policy changes for this year. Schedules will only be available the evening of Opening Knight and only after student pictures and school fees have been paid. If, for some reason, you are unable to attend on August 15, you will need to pick up your schedule on the first day of classes, Wednesday, August 22, 2012. PARENTS: IMPORTANT SCHOOL BUS SAFETY ALERT

HELP US PROTECT YOUR CHILDREN AS THEY TRAVEL TO AND FROM SCHOOL

Certain types of children's clothing can create a hazard as your child gets off the school bus. Especially dangerous are:

- Long, dangling jacket or sweatshirt drawstrings
- Long backpack straps
- Long scarves or other loose clothing

Such clothing can be caught in the bus handrail, door, or other equipment as the child gets off the bus.

In recent years, a number of children across the U.S. have had their clothing caught as they exited the bus.

Several of these children were dragged by the bus and then killed when the bus ran over them.

Please take the time to check your children's clothing to make sure it is safe.

Also, please talk with your child about the following safety rules.

- Stay away from the Danger Zones around the bus.
- Don't try to pick up something dropped near the bus - the bus driver might not see you.
- Remember that other motorists don't always stop for a stopped school bus - use extreme caution whenever getting on or off the bus.

SCHOOL BUS SAFETY IS A TEAM EFFORT - NOTHING IS MORE PRECIOUS THAN A CHILD'S LIFE.

Release of Student Names to the Military

We are now REQUIRED by law to release the names and addresses of all students in grades 10-12 to any military branch that requests them. We must do this unless you contact the high school office in **writing** by Friday, September 14, 2012, that you do NOT want your child's name given out. Without your letter stating that you do not want your child's name released, we MUST give all names and addresses out.

*** * Attention Parents * ***

Some bus routes may be changing for the 2012-2013 school year. Please check the school website for updates www.vbschools.net.

SCHOOL BUS PROCEDURES

Parents, please review the following procedures with your children. It is important that they know in detail what is expected of them when they ride a school bus.

School bus transportation should be regarded as a privilege, which will be kept by students only as long as they behave responsibly. All bus students must abide by the following rules at all times if they wish to maintain the privilege of riding on the bus:

- **The bus driver is the adult authority on the bus. He/she is in charge.**
- **Silence must be maintained while a bus is crossing railroad tracks.**
- **Be courteous to others. Cursing, teasing, etc. cannot be tolerated.**
- **No eating or drinking on the bus.**
- **Please help keep the bus clean. Don't throw paper or other objects.**
- **You must stay in your seat at all times.**
- **Do not extend anything outside a school bus window.**
- **No smoking. Do not bring matches on a school bus.**
- **Please do not mark on or damage seats.**
- **No fighting.**
- **This is not an all-inclusive list of inappropriate behaviors. If students use good common sense, they will not have worry about being disciplined.**

School bus drivers must use appropriate disciplinary measures to maintain order and safety on the buses. However, when student misbehavior is so inappropriate, as determined by the driver, that it is a threat to order and safety, a formal set of discipline procedures will be followed.

FIRST OFFENSE

A written report will be submitted to the appropriate school principal. A copy will be placed in the student's file. A copy may also be mailed to the parent. The principal may also hold a conference with the student and parent.

SECOND OFFENSE

The student's seat may be reassigned by the driver. A telephone contact with the parent will be made by the driver and/or principal. Documentation of the incident will be placed in the student's file. Bus riding privileges could be stopped for a period of time, and other disciplinary measures including detention, suspension, and/or expulsion could be used.

THIRD OFFENSE, ETC.

Bus riding privileges will be stopped for a period of time determined by the principal. Other serious disciplinary actions could also be taken.

CLASS OF 2013 STUDENTS AND PARENTS/GUARDIANS:

Your senior year is right around the corner, and that means you will be getting your senior pictures taken. I would encourage you to try to have your pictures taken this summer so you will not have any problems making the Monday before Thanksgiving deadline to turn in the picture you want to appear in the yearbook. If you are not able to have your pictures taken during the summer, I suggest at least making the appointment during the summer so that the pictures can be taken in plenty of time to meet the deadline. The yearbook staff would also like to include a baby picture (any age) of each senior in the yearbook, and that can be turned in along with the senior picture. Those pictures will be returned to the student at the end of the school year. If you have any questions or concerns, please contact Brian Bratt, yearbook adviser, at 299-3384 ext. 407 or bbratt@vbschools.net.

Superintendent News

News From the Superintendent

It is now August. A new school year will be starting very soon. The gyms, fields, music rooms and locker rooms are already filled with active, eager students preparing for a new school year and the Fall activity season to start.

Several quality employees retired or moved on to other positions since last May. Excellent, high quality replacements have been hired to continue our tradition of excellence. They are anxious to join our outstanding staff and to bring their experiences and enthusiasm to our students. I invite you to attend the open house in your child's building and get to know the teachers and administrators.

I can't say enough to praise our teachers and staff and their dedication to the success of your children. Again, preliminary reports have the Van Buren Schools rated as an "EXCELLENT" school district. Even though there were some non-classroom issues with some of the staff last year, I commend them on their professionalism and commitment to performing at a high level and their commitment to student learning. Several new challenges lie ahead of us. Adoption of the national Common Core Curriculum, state mandated restructuring of teachers evaluation techniques, and changes to the state system of evaluating schools will result in more work and time commitment of the staff outside of teaching in the classroom. Local initiatives such as the Ohio Improvement Process and new professional development tools will also result in more work outside the classroom but should bring rewards of continued and higher student achievement. The work of dedicated, highly successful teachers, administrators, and staff doesn't occur only from 8:00 A.M. to 3:00 P.M. during student school days. Evenings, weekends, and summer hours are spent insuring that the most effective and proven methodologies are being used.

You, as parents and community members, are also a major reason why our students and our school is so successful. Being in this profession for going on thirty-five years has strengthened my belief that a great teacher can be the single most important factor to a student's success and that a loving, strong family that believes in the power and importance of a quality education enhances that teachers ability and prepares our children for a happy, successful life.

Visit your child's school. Get to know his/her teachers and administrators. Attend school activities. Join the various booster and supporting organizations. Volunteer and share your expertise and knowledge with our teachers and students. You only get one chance to mold and raise your children. Help us to make them truly outstanding individuals.

Praying for our children, teachers, staff and schools.
