

SCRIPS Fundraising at Van Buren Middle School

What is SCRIP?

SCRIP is accessed through www.shopwithscip.com. SCRIP sells gift cards to hundreds of retailers and a portion of the sale is returned as profit. That profit is credited to individual student "accounts" to be used for middle school experiential learning such as the 6th grade Put-in-Bay trip, 7th grade outdoor education camp, and 8th grade Washington, DC trip.

You create an account at www.shopwithscip.com using Van Buren Middle School's enrollment key: 3E4B9CC824611. More details and helpful guides are available on the middle school office page: www.vbschools.net > Offices > Middle School Office

How do I get started?

How often are orders made?

Orders are placed every two weeks with the cards ready for pick-up on the opposite weeks (with some exceptions as per the school calendar). Check out the SCRIP calendar on the middle school office webpage for which Fridays orders are placed. If you are paying by check, please have it to the office by 2:30pm on those Fridays.

We've had many students pay for both their seventh and eighth grade trips using SCRIP. Many families purchase gift cards to retailers they use to purchase groceries, hotels for family trips, gas gift cards, Christmas gifts... the list is endless!

Does this work?
