"My daughter took your ACT prep class at the end of the summer 2012. She took the ACT test in November 2012 and got a 29 and a 9 on writing". This was her first testing. I just wanted to say thank you very much. She will be eligible for many scholarships with these numbers. I believe that your class was very helpful in preparing my daughter to obtain such great scores. Thanks again.

"My son took your ACT prep class and went from a 24 to a 31. I am enrolling my daughter."

"You have now had all five of my children. I am a walking advertisement for you. It is the best money I have ever spent."

"Thank you for including my daughter in your world. I can't begin to emphasize how much you have impacted our lives."

"My daughter told me your ACT class is the best class she has ever taken in her high school career."
