

Strategic Planning - Beliefs Analysis

As a committee working on the Van Buren School District strategic plan, we are seeking input from all stakeholders regarding the common beliefs and core values of this district. We feel this input is paramount in the development of a vision and mission statement that will be used to drive the day to day decisions and pathway of the district for years to come. Your submissions will be completely anonymous. Your time and honesty are greatly appreciated.

Which category below includes your age?

- 15-18
- 19-24

Strategic Planning - Beliefs Analysis

Belief Statements of the Current Strategic Plan (2009)

Read through the belief statements of the most recent strategic plan. Select the box you feel best describes your beliefs regarding the core values of the Van Buren School District.

- Learning is a life long process

I feel this statement:

- All students are capable of learning when provided a safe and nurturing environment

I feel this statement:

- Our small school atmosphere stresses family values and personal relationships

I feel this statement:

- Quality education can only come when partnering our school with the community

I feel this statement:

- Multiple opportunities and tools are necessary for our students to achieve success

I feel this statement:

- Respect, dignity, and fairness toward all must be a focal point of our school and community

I feel this statement:

- Diversity should be integral to the Van Buren Local Schools' achievement of excellence

I feel this statement:

- The Judeo-Christian tradition is the basis of our community values

I feel this statement:

Strategic Planning - Beliefs Analysis

Core values to be considered for the developing strategic plan

One of the primary goals of this committee is to update the language and relevance of our district's strategic plan as it pertains to the mission and vision statement and is described through the beliefs of the district as a whole. With that being said, your opinion as to the core values of this district are important to us.

Please choose the top 5 core values you believe should guide the future of the Van Buren School District:

- Creativity
- Responsibility
- Respect
- Safety
- Leadership
- Teamwork
- Positive Attitude
- Confidence
- Communication
- Encouragement
- Innovation
- Integrity
- Dedication
- Knowledge
- Professional
- Excellence
- Trusting
- Engaging
- Pride
- Other:
